
Description:

The global soft wall military shelters market is expected to increase with a CAGR of 1.0% by 2020. The major drivers of the soft wall military shelters market are increasing terrorist and militant activities and increase in defense budgets. The defense sectors of Russia, India, and China are some of the fastest growing sectors in the world and a significant amount of money is expected to be spent on defense procurement activities. The military shelters can be used for various purposes, such as command posts, medical facilities, base camps, aircraft and vehicle maintenance shelters, chemical/biological decontamination shelters, hangars, warehouses, and workshops. Advanced shelters with lightweight fabric, attached with electronic systems and better features, such as wind resistance, heat resistance, and waterproof materials, are driving the demand for the soft wall military shelters market.

This report provides an analysis of the global soft wall military shelter market, including analyses of the market trends, competitive landscapes, company profiles, mergers and acquisitions, emerging trends, and key drivers of industry growth. The study also includes the global soft wall military shelter market forecasts through 2020, segmented by regions such as North America, Europe, Asia Pacific, and Rest of the World for the year 2013.

On the basis of its comprehensive research, Lucintel forecasts that the global soft wall military shelter market will witness a slow growth rate during 2014-2020. The rise in integrated soft wall military shelters, along with power generation units and heating/cooling are gaining momentum. The soft wall military shelter manufacturers are continuously adopting new strategies to gain market share in the industry. DHS Systems (DRASH), Röder HTS Höcker, Alaska Structures, Weatherhaven, and Gillard Shelters are some of the suppliers of the soft wall military shelters. Regular innovation of products is very important for companies to sustain their successful positions in the market.

This unique report from Lucintel will provide you with valuable information, insights, and tools needed to identify new growth opportunities and operate your business successfully in this market. This report will save hundreds of hours of your own personal research time and will significantly benefit you in expanding your business in this market. In today's stringent economy, you need every advantage that you can find.

Features of This Report:

- Market size estimates: Soft wall military shelter market size estimation in terms of volume (M lbs) and value ($ M) shipment.
- Regional analysis: Soft wall military shelter market breakdown by key regions such as North America, Europe, Asia Pacific, and Rest of the World.
- Growth opportunities: Analysis on growth opportunities in different regions.
- Strategic analysis: This includes M&A, new product development, competitive landscape, and expansion strategies in global soft wall military shelter market.
- Emerging applications: Emerging applications in global soft wall military shelter in various markets.
- Analysis of competitive intensity of the industry based on Porter's Five Forces model.

The report is in power point presentation format and has hundreds of critical data and market insights that will help in effective decision making.

Benefits of Report:
The core competency is in market research and management consulting. In last 15 years, the author has
worked on hundreds of market & economic research studies. These market reports offer the following benefits:

- Enhance your growth strategy with the information of key market segments and growth applications.
- Fine tune your business expansion with analysis of trend and forecast and key emerging trends in the industry.
- Explore business opportunities and ascertain new market entry with analysis of emerging geographies
- Know the business environment with the competitive intensity of the industry, new developments and merger and acquisition deals.

Who Can Benefit From This Report?
This study is intended for senior level executives, sales, marketing and business development professionals at various nodes of value chain of this market. This multi-client market study is used by small to multi-national Fortune 500 companies and utilized for a variety of reasons as follows.

- Business development
- Strategic planning
- Business presentation
- Determination of market size and trend
- Competitive analysis
- Resource and inventory management
- Budgeting
- Investment decisions

Contents:
1. Executive Summary
2. Soft Wall Military Shelter Industry Background and Classifications
   2.1: Shelter overview
   2.2: Soft wall military shelter overview
   2.2.1: Basic features of soft wall military shelter
   2.2.2: Applications of soft wall military shelters
   2.3: Supply chain
3. Market Trend and Forecast Analysis
   3.1: Market analysis 2013
   3.1.1: Global soft wall military shelter market by value
   3.1.2: Global soft wall military shelter market by region
   3.2: Market trend 2008-2013
   3.2.1: Macroeconomic trends
   3.2.2: Global Soft wall military shelter market by value
   3.2.3: Industry drivers and challenges
   3.3: Market forecast 2014–2020
   3.3.1: Macroeconomic forecasts
   3.3.2: Global soft wall military shelter market forecast by value
4. Competitor Analysis
   4.1: Product portfolio analysis
   4.2: Market share analysis
   4.3: Porter’s five forces analysis
5. Growth Opportunity and Strategic Analysis
   5.1: Growth opportunities analysis
   5.2: Emerging trends for soft wall military shelter market
   5.3: Innovations and new product launches in soft wall military shelter market
   5.4: Mergers and acquisitions in soft wall military shelter market
6. Company Profiles of Leading Players
