Global Indoor Location-based Search and Advertising Market 2014-2018

About Indoor Location-based Search and Advertising

The business scenario around the world is undergoing a huge paradigm shift. Location information has started to play an increasingly critical role in the way businesses operate. Brands are coming up with new innovative ways to engage and interact with consumers. Level of personalization offered is becoming the new means to gain competitive advantage. This has greatly affected the Retail sector and has spurred the advent of a new realm of marketing - location-based marketing (LBM). LBM is an amalgamation of all types of marketing channels and strategies including but not limited to social media marketing, OOH advertising, and individual interactions.
