
Description: The past 20 years has seen a remarkable growth in the knowledge base and skill set available in small animal practice the range of specialist information now available may appear daunting to the relatively inexperienced vet looking for a concise answer to one of the many common problems presented in the consulting room. Authored by vets with many years of experience in general practice, this new Foundation Manual aims to provide the first port of call for the busy practitioner faced with uncertainty over a new case. Common sense, first line approaches are given in a problem oriented setting stemming from the nose to tail examination. The Manual is broadly divided into three sections: The Art of Canine Practice Common Consultations Common Clinical Presentations.

Contents:
- The dog-friendly practice
- Consultation technique
- Preventive healthcare a lifestage approach
