Online
Updated daily by a team of journalists based in London, Beijing and Singapore, the website makes sure that while you know what has happened, you also know why it matters to your business, the sector and the markets. The website also gives members access to an archive containing historic articles and information, allowing you to build an electronic reference library, tailored specifically to your needs - an invaluable tool for tracking trends or preparing research reports.

In print
Published 10 times a year, Petroleum Economist gives readers a comprehensive overview of the month's events, including in-depth analysis and informed opinion on the developments that matter. Petroleum Economist also publishes a series of annual surveys, covering all aspects of the industry, including storage, refining and petrochemicals, as well as regular reports on the booming LNG and unconventionals sectors. With each issue of Petroleum Economist, members also receive the latest energy maps from the publication's cartographic department. Petroleum Economist's world, regional and country maps are renowned in the energy sector, particularly for their original data, accuracy and visual appeal.

By email
Petroleum Economist sends out regular email updates providing you with the latest news, analysis and opinion.
