Tire Pyrolysis Industry 2014 - Tire Derived Carbon Focus

Description: This report is essential reading for prospective and current tire pyrolysis industry participants. The report covers significant industry changes (2012 vs 2013) with a review of the current industry landscape and future prospects. The reader is introduced to tire pyrolysis and the critical components of a successful operation. There is a detailed review of the global industry landscape including tire derived carbon production volumes and regional maps showing the location of operations. There is a particular focus on tire derived carbon with a complete review of historical developments, current product offerings and future prospects; this is accompanied by a review of carbon black markets and selling prices with considerations for estimating tire derived carbon market value. The report finishes with a review of competing technologies and the short, medium and long term prospects for tire pyrolysis.

The report contents are based on the latest publically available information. This report supersedes the 2013 report, summarising significant changes from 2012 to 2013. Additional resources and topical content have been added versus 2013. The report draws on MRT’s extensive technical and market experience in the carbon black and tire derived carbon (TDC) sectors and has many helpful annotations and pointers for potential and current participants in the tire pyrolysis industry.

A must read for anyone wanting the latest up to date analysis and status of the tire pyrolysis industry. Content has been refreshed to cover items specifically asked for by current tire pyrolysis industry leaders - this includes summaries of operations by region (tables and maps) as well as tire derived carbon valuation methodology and discussions on industry trends and major changes from 2012 to 2013. Report is 80 pages in length with 14 tables and 13 figures.

Contents:

1. Executive Summary
   1.1. Industry Changes 2013 versus 2012
   1.2. Current Landscape
   1.3. Future Prospects

2. Introduction to Tire Pyrolysis
   2.1. What is Tire Pyrolysis
   2.2. Input
   2.3. Control Parameters
   2.4. Output

3. Tire Pyrolysis Feedstock
   3.1. Feedstock Types
   3.2. Special Considerations
   3.3. Future Trends In Tire Technology

4. Tire Pyrolysis Technologies
   4.1. Types of Process
   4.2. Additional Process Considerations
   4.3. Technology Trends

5. Tire Pyrolysis Industry Landscape
   5.2. Current and Proposed Maps By Region
   5.3. Key Players Current and Future

6. Tire Derived Carbon Development and Product Offerings
   6.1. Historical Development Summary
   6.2. Current Product Offerings
   6.3. Technical Insight Into Carbon Black Type Products
   6.4. Future Development Prospects
7. Carbon Black Market and Selling Prices
7.1. Carbon Black Market Overview
7.2. Historic and Current Carbon Black Market Pricing Relevant To Tire Derived Carbon

8.1. Consumer Requirements
8.2. Market Positioning
8.3. Value ‘Envelope’

9. Competing Technologies
9.1. What are Competing Technologies?
9.3. Future Developments

10. Future Prospects for Tire Pyrolysis
10.1. Short, Medium and Long Term Considerations

Appendix I – Chronological Summary of Tire Pyrolysis Industry Development
Appendix II – Chronological Index for Tire Pyrolysis Technical Papers
Appendix III – Chronological Index and Summary of Tire Pyrolysis Patents

Ordering:
Order Online - http://www.researchandmarkets.com/reports/3045548/
Order by Fax - using the form below
Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct and select the format(s) you require.

Product Name: Tire Pyrolysis Industry 2014 - Tire Derived Carbon Focus
Web Address: http://www.researchandmarkets.com/reports/3045548/
Office Code: SCH37X1Y

Product Formats

**Payment Information**

Please indicate the payment method you would like to use by selecting the appropriate box.

- **Pay by credit card:**
  You will receive an email with a link to a secure webpage to enter your credit card details.

- **Pay by check:**
  Please post the check, accompanied by this form, to:
  Research and Markets,
  Guinness Center,
  Taylors Lane,
  Dublin 8,
  Ireland.

- **Pay by wire transfer:**
  Please transfer funds to:
  - **Account number:** 833 130 83
  - **Sort code:** 98-53-30
  - **Swift code:** ULSBIE2D
  - **IBAN number:** IE78ULSB98533083313083
  - **Bank Address:** Ulster Bank,
    27-35 Main Street,
    Blackrock,
    Co. Dublin,
    Ireland.
