Global Professional Hair Care Market 2015-2019

Description: About Professional Hair Care

Professional hair care products are advanced products recommended by experts and made for specific consumer needs based on type of hair, to cleanse and enhance its texture and quality. These products offer solutions for hair- and scalp-related issues such as hair loss, dandruff, hair damage, hair thinning, split ends, and scalp itch. Professional hair care products such as shampoos, conditioners, gels, glazes, oils, styling agents, straightening products, colorants, and serums are designed to meet the needs of both male and female consumers of different age groups and with different hair needs.

The analysts forecast the Global Professional Hair Care market to grow at a CAGR of 3.68 percent over the period 2014-2019.
