Global Safes and Vaults Market 2015-2019

Description: About Safes and Vaults

Safes and vaults provide security from threats such as fire and burglary. In many cases, they are used to prevent unauthorized access to potentially dangerous items placed within them. An increase in crime rate, coupled with the growing affluence of people, is making them a necessity. With the advent of technology, they are increasingly being integrated with electronic devices to create smart systems. Manufacturers of safes and vaults have a wide variety in their product portfolio to meet the needs of different customers.

The analysts forecast the Global Safes and Vaults market to grow at a CAGR of 5.32 percent over the period 2014-2019.
