South Korea Medical Tourist Arrivals and Spending Forecast To 2020

Description: The medical tourism industry in South Korea is rapidly growing. The strength of Korea's medical tourism lies in its highly skilled medical professionals, state-of-the-art medical equipment, and well-established medical infrastructure. South Korea's medical tourism market is likely to nearly quadruple by the year 2020 from the 2014 level. China topped the medical tourist arrivals list in South Korea being followed by United States. Russia is standing at the third spot in terms of medical tourist arrivals in South Korea. Japan and Mongolia stands at fourth and fifth position respectively in terms of medical tourists visit to South Korea. Mongolia and Kazakhstan have a traditional preference for South Korea when looking for medical treatment abroad. South Korea is witnessing an increase in medical tourist arrivals from various countries like Philippines, Saudi Arabia, Indonesia, UAE and Vietnam among others.

In terms of types of medical treatment, the general health check-up, dermatology, cosmetic surgery, Gynecology, Traditional Korean Medicine, ophthalmology, orthopedics, dental services and Neurosurgery are the popular services for which medical tourists visit South Korea.
