Handbags Market in China 2015-2019

Description:

About Handbags Market in China

The Handbags market in China is expected to witness high year-on-year growth during the forecast period. The market is driven by the growing economy, rise in middle-class population, and interim increase in disposable income as well as per capita consumption of consumers on handbags, gifting traditions, and the high demand for fashion goods.

The analysts forecast the Handbags market in China in terms of revenue and volume grow at CAGRs of 7.76 percent and 6.28 percent, respectively, over the period 2014-2019.

Covered in this Report

The Handbags market in China can be segmented into four: Totes, Shoulder Bags, Purses and Wallets, Satchels and Saddles. The Shoulder Bags was the largest segment in terms of revenue and accounted for 35.30 percent share of the market in 2014.
