Online Lingerie Market in India 2015-2019

Description:

About lingerie

India is one of the most attractive retail targets globally and represents a huge untapped market for lingerie. The term lingerie is mainly used for fashionable and alluring undergarments. Novelty, an evolving fashion industry, and growing need for comfort have resulted in increased demand for lingerie across geographies. The concept of online lingerie stores has enhanced the growth prospects of the lingerie market as it offers a wide range of international and private labels on a single platform.

The analysts forecast the online lingerie market in India to grow at a CAGR of 42.32% over the period 2014-2019.
