Handbags Market in India 2015-2019

Description: About handbags market in India

In 2014, the handbags market in India was dominated by the purses and wallets segment. In terms of distribution, specialist retailers accounted for the largest share in the market in India. One of the main drivers of the handbags market in India is an increase in urbanization and rising income levels, which is influencing the demand for expensive and premium handbag brands and per-capita consumption by consumers.

The analysts forecast the handbags market in India, in terms of revenue and volume, to grow at a CAGR of 19.2% and 15.1%, respectively, over the period 2014-2019.

Covered in this report
The Handbags market in India can be segmented into four: totes, shoulder bags, purses and wallets, satchels and saddles. The purses and wallets was the largest segment in terms of both revenue and volume, accounting for 34.8% and 35.4% share of the market.

The report, the Handbags Market in India 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. It covers the landscape of the handbags market in India and its growth prospects in the coming years. The report includes a discussion of the key vendors operating in this market.
