Ireland: Drafting Tables and Machines Market

Description: This report presents a comprehensive overview of the drafting tables and machines market in Ireland and a forecast for its development in the next five years. It provides a detailed analysis of the market, its dynamics, structure, characteristics, main players, growth and demand drivers, etc.

The purpose of the report is to describe the state of the drafting tables and machines market in Ireland, to present actual and retrospective information about the volumes, dynamics, structure and characteristics of production, imports, exports and consumption and to build a forecast for the market in the medium term. In addition, the report presents an elaborate analysis of the main market participants, the price fluctuations, growth and demand drivers of the market and all other factors, influencing its development.

This research report has been prepared using the publisher’s unique methodology, including a blend of qualitative and quantitative data. The information comes from official sources and insights from market experts (representatives of the main market participants), gathered by semi-structured interviews.

The report on the drafting tables and machines market in Ireland includes:

- Analysis and forecast for the economy of Ireland;
- Analysis and forecast for development of the market volume (market size), value and dynamics;
- Market structure (by origin, by types of products, etc.);
- Volume, dynamics and analysis of domestic production (past, current and future);
- Analysis of price levels (wholesale, retail, distributors, etc.) and their dynamics (past, current and future);
- Volume, dynamics and analysis of imports (past, current and future);

   5.2. Forecast for the development of the economy of Ireland for the next 3 years
6. Overview and analysis of the drafting tables and machines market in Ireland
   6.1. Volume, value and dynamics of the drafting tables and machines market in Ireland in the last 5 years
   6.2. Structure of the drafting tables and machines market in Ireland in the last 5 years: production, imports, exports, consumption
   6.3. Structure of the drafting tables and machines market in Ireland by origin
   6.4. Key recent trends on the drafting tables and machines market in Ireland
   6.5. Competitive landscape of the market
   6.6. Key drivers and restraints for the market development in the medium term
   6.7. Forecast for development of the drafting tables and machines market in Ireland for the next 5 years
7. Overview and analysis of the domestic production of drafting tables and machines in Ireland
   7.1. Business tendencies in the industrial production in Ireland in the last 5 years
   7.2. Volume, value and dynamics of the domestic production of drafting tables and machines in Ireland in the last 5 years
   7.3. Share of Ireland in the European production of drafting tables and machines
   7.4. Characteristics of the main producers of drafting tables and machines in Ireland
8. Characteristics and analysis of the prices of drafting tables and machines in Ireland
   8.1. Value chain analysis
   8.2. Structure of price formation
   8.3. Characteristics of the producer prices of drafting tables and machines in Ireland in the last 5 years
   8.4. Characteristics of other prices of drafting tables and machines
9. Foreign trade operations of drafting tables and machines in Ireland
   9.1. General foreign trade operations of Ireland
   9.2. Foreign trade operations of drafting tables and machines in Ireland in the last 5 years
10. Overview and analysis of the imports of drafting tables and machines to the Irish market
   10.1. Volume, value and dynamics of the imports of drafting tables and machines to Ireland in the last 5 years
   10.2. Main countries, importing drafting tables and machines to Ireland
   10.3. Structure of the imports of drafting tables and machines by types of products
10.4. Share of Ireland in the European imports of drafting tables and machines
10.5. Domestic companies, main importers of drafting tables and machines to the Irish market
11. Overview and analysis of the Irish exports of drafting tables and machines
   11.1. Volume, value and dynamics of the Irish exports of drafting tables and machines in the last 5 years
   11.2. Recipient countries of the Irish exports of drafting tables and machines
11.3. Structure of the Irish exports of drafting tables and machines by types of products
11.4. Share of Ireland in the European exports of drafting tables and machines
11.5. Domestic companies, main exporters of drafting tables and machines from the territory of Ireland
12. Characteristics of the consumption of drafting tables and machines in Ireland
   12.1. Volume, value and dynamics of the consumption of drafting tables and machines in Ireland in the last 5 years
   12.2. Structure of the consumption of drafting tables and machines in Ireland in the last 5 years (by origin, by channel, etc.)
   12.3. Volume, value and dynamics of the per capita consumption of drafting tables and machines in Ireland
12.4. Balance between supply and demand on the drafting tables and machines market in Ireland in the last 5 years and forecast for the next 5 years
13. Forecast for development of the drafting tables and machines market in Ireland for the next 5 years
13.1. Factors, influencing the development of the drafting tables and machines market in Ireland in the medium term
13.2. Forecast for market development in the medium term under three possible scenarios
