Underground Gas Storage Industry Outlook in North America to 2019 - Capacity and Capital Expenditure Forecasts with Details of All Operating and Planned Storage Sites

Description: Underground Gas Storage Industry Outlook in North America to 2019 - Capacity and Capital Expenditure Forecasts with Details of All Operating and Planned Storage Sites

Summary

"Underground Gas Storage Industry Outlook in North America to 2019 - Capacity and Capital Expenditure Forecasts with Details of All Operating and Planned Storage Sites" is a comprehensive report on underground gas storage industry in North America. The report provides gas storage site details such as asset name, operator name, storage type, start year, working gas capacity along with withdrawal rate for all active and planned gas storage assets in the region. The report also provides key country comparisons based on contribution to working gas capacity. The report also provides capital expenditure outlook by year and by key countries for planned underground gas storage sites till 2019. Planned or proposed (new build) underground gas storage sites, as announced by various companies, have also been included in this report. Further the report also offers recent developments as well as latest tenders and contracts at country level.

Scope

- Updated information relating to all active and planned underground gas storage sites
- Provides key details such as operator name, type, start year, total storage capacity, working gas capacity, maximum withdrawal rate for all active and planned underground gas storage sites to 2019
- Provides capital expenditure outlook by year and by key countries for planned underground gas storage sites till 2019
- Latest developments and contracts related to underground gas storage industry at country level

Reasons to buy

- Obtain the most up to date information available on active and planned gas storage sites in North America
- Identify growth segments and opportunities in the industry
- Facilitate decision making on the basis of strong historic and forecast capacity data
- Assess your competitor's gas storage sites

Contents:

1.1 List of Tables
1.2 List of Figures
2 Introduction
  2.1 What Is This Report About?
  2.2 Market Definition
3 North America Underground Gas Storage Industry
  3.1 North America Underground Gas Storage Industry, Overview of Active Underground Gas Storage Data
  3.2 North America Underground Gas Storage Industry, Overview of Planned Underground Gas Storage Data
  3.3 North America Underground Gas Storage Industry, Working Gas Capacity by Type
    3.3.1 North America Underground Gas Storage Industry, Working Gas Capacity by Country
    3.3.2 North America Underground Gas Storage Industry, Working Gas Capacity (Aquifer Type) by Country
    3.3.3 North America Underground Gas Storage Industry, Working Gas Capacity (Depleted Oil and Gas field Type) by Country
    3.3.4 North America Underground Gas Storage Industry, Working Gas Capacity (Salt Cavern Type) by Country
  3.4 North America Underground Gas Storage Industry, Planned Gas Storage Sites
    3.4.1 North America Underground Gas Storage Industry, Planned Gas Storage Details
    3.4.2 North America Underground Gas Storage Industry, Annual Capital Expenditure Outlook for Planned Gas Storage Sites
    3.4.3 North America Underground Gas Storage Industry, Annual Capital Expenditure Outlook for Planned Gas Storage Sites by Country
3.5 North America Underground Gas Storage Industry, United States
3.5.1 North America Underground Gas Storage Industry, United States, Shares of Top 3 Storage Areas by Working Gas Capacity
3.5.2 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Alabama
3.5.3 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Alaska
3.5.4 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Arkansas
3.5.5 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, California
3.5.6 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Colorado
3.5.7 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Illinois
3.5.8 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Indiana
3.5.9 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Iowa
3.5.10 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Kansas
3.5.11 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Kentucky
3.5.12 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Louisiana
3.5.13 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Maryland
3.5.14 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Michigan
3.5.15 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Minnesota
3.5.16 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Mississippi
3.5.17 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Missouri
3.5.18 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Montana
3.5.19 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Nebraska
3.5.20 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, New Mexico
3.5.21 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, New York
3.5.22 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Ohio
3.5.23 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Oklahoma
3.5.24 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Oregon
3.5.25 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Pennsylvania
3.5.26 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Texas
3.5.27 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Utah
3.5.28 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Virginia
3.5.29 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Washington
3.5.30 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, West Virginia
3.5.31 North America Underground Gas Storage Industry, Gas Storage Capacity in United States, Wyoming
3.5.32 North America Underground Gas Storage Industry, Recent Developments in United States
3.5.33 North America Underground Gas Storage Industry, Recent Tenders and Contracts in United States
3.6 North America Underground Gas Storage Industry, Canada
3.6.1 North America Underground Gas Storage Industry, Canada, Shares of Top 3 Storage Areas by Working Gas Capacity
3.6.2 North America Underground Gas Storage Industry, Gas Storage Capacity in Canada
3.6.3 North America Underground Gas Storage Industry, Recent Developments in Canada
4 Appendix
4.1 Abbreviations
4.2 Methodology
4.2.1 Coverage
4.2.2 Secondary Research
4.3 Disclaimer
1.1 List of Tables

Ordering: Order Online - http://www.researchandmarkets.com/reports/3275786/

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct and select the format(s) you require.

Product Name: Underground Gas Storage Industry Outlook in North America to 2019 - Capacity and Capital Expenditure Forecasts with Details of All Operating and Planned Storage Sites
Web Address: http://www.researchandmarkets.com/reports/3275786/
Office Code: SCH31ZB8

Product Formats
