Global Sauces, Condiments and Dressings Market: Insights, Market Size, Share, Growth, Trends Analysis and Forecast to 2021

Description: The global sauces, condiments and dressings market is expected to reach USD 24.91 billion in 2021, growing at a CAGR of 4% from 2014 to 2021. Sauces and condiments have become an integral part of modern day cooking and food items. Condiments and sauces are used in order to enhance the flavor of the food, while dressings are used to improve the appearance of the food item. Europe dominated the global sauces, dressings and condiments market with 34.5% share followed by North America with more 32.5% market share in 2014. Germany is the largest consumer of the condiments sauces and dressings among the markets in Europe. Asia Pacific market is likely to witness rapid growth in this market over the next five years, thanks to rapidly changing eating patterns among the consumers in Asia Pacific. Rapid urbanization in emerging markets of Asia Pacific and Latin America is likely to support the growth in this market over the period of 2015 to 2021.
