Malaysia Medical Tourist Arrivals and Spending Forecast To 2020

Description: Malaysia, as one of Asia's most recognized developing countries, has immense potential in an increasingly important medical tourism sector. Healthcare in Malaysia is under the responsibility of the government's Ministry of Health, and has an efficient and widespread system of health care. Malaysia is eyeing the medical tourism sector which is inherent with considerable revenue - generating potential as patients in developed western countries are looking for good quality but low - cost sites which offer not only medical services but also have attractive tourism attributes. For the health - conscious traveler, Malaysia offers a unique combination of good quality, low - cost healthcare and an attractive tourist destination. While visiting Malaysia, the travelers can undergo medical check and use facilities involving preventive wellness, spas, cosmetic and dental surgery, etc. Malaysia offers a wide choice of state-of-the-art private medical centers boasting an impressive array of sophisticated diagnosis, therapeutic and in - patient facilities. The popular medical procedures available in Malaysia include eye surgeries, orthopedics, cosmetic, urology, neurology, rheumatology, endocrinology, obstetrics and gynecology, oncology, and cardiology.

The number of medical tourist arrivals in Malaysia is increasing year on year, driven by factors, such as availability of good healthcare infrastructure, government support through promotional programs, and well - skilled medical professionals. Indonesia is the leading source market for Malaysia medical tourism. Medical institutions have promoted cardiology and orthopedics in high demanding areas like Indonesia and the Gulf states. India is the second leading source market for Malaysia medical tourism. Japan stands at the third position in the Malaysia medical tourism market being closely followed by China and Hong Kong. United States, United Kingdom, Libya, Nepal, Bangladesh, Iran and Australia are the other emerging market for Malaysia medical tourism.
