- Best Trading Partners: These are companies that are winning in both sales and financial strength – for example has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company – for example OCV Optic-Collectors Vertriebs GmbH is among the fastest growing.
- Profit Analysis – Analysis of gross profit and pre-tax profit over several years and a profitability summary
comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 93 companies, this is a comparison between last year's market size and
the most current figure (1.3 billion).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies
within the Optic & Eyewear (Germany) industry.

Each business is analysed using an unequivocal model and culminates in the production of the Plimsoll
Chart. The Plimsoll Model uses a series of charts to graphically analyse an individual company and measure
its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's
simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Plimsoll Optic & Eyewear (Germany) analysis also provides you with full business name and address,
names of directors and registration address.
