WiFi/WLAN Monthly Newsletter

Description: WiFi and Wireless LAN are market that continues to be on the verge of explosion. It makes eminent sense for rural areas and those countries with huge pent up demand for basic telephone services. Several technological options are now or soon to be available. Yet the promise of providing this technology to relieve the needs for basic telephone service has yet been realized.

WiFi/WLAN Monthly provides worldwide coverage of market developments as well as analyses of the various technologies and products. WiFi/WLAN Monthly will cover not only basic telephony but also other broadband services to the home. In addition, WiFi/WLAN Monthly will continue to cover all aspects of spectrum management.
