Travel and Business Bags Market in Russia 2015-2019

Description:
About Travel and Business Bags Market in Russia
The travel and business bags market in Russia is expected to grow consistently during 2015-2019, owing to an increase in travel and tourism activities and the rising number of business travelers in the country. The surge in travel traffic has increased the sales of the travel and business bags. Rapid urbanization has also contributed to improved standard of living, resulting in consumers increasingly opting for stylish, and large bags for their travels. The changing political, economic, and social environment, and the rising e-commerce sector will propel growth in Russia, making it a recognized market globally.

The travel and business bags market in the US has five segments: Duffle bags, trolley bags and suitcases, backpacks, and business bags. Trolley bags and suitcases segment dominated the market with 46.10% and 39.42%, in terms of revenue and volume, respectively.

The authoranalysts forecast the travel and business bags market in Russia to grow at a CAGR of 4.27% and 3.69%, in terms of revenue and volume, respectively, during 2014-2019.
