Sewing Machines - Global Strategic Business Report

Description: This report analyzes the worldwide markets for Sewing Machines in Thousand Units by the following Principal Segments: Home Sewing Machines, and Industrial Sewing Machines. The report provides separate comprehensive analytics for the US, Canada, Japan, Europe, Asia-Pacific, Latin America, and Rest of World.

Annual estimates and forecasts are provided for the period 2013 through 2020. Also, a seven-year historic analysis is provided for these markets. Market data and analytics are derived from primary and secondary research.

Company profiles are primarily based on public domain information including company URLs. The report profiles 106 companies including many key and niche players such as

- Brother Industries, Ltd.
- Bernina International AG
- Jaguar International Corporation
- Janome Sewing Machine Co., Ltd.
- Juki Corporation
