Towable RVs Market in North America 2015-2019

Description:
Towable RVs include automobiles or trailers designed for recreation or pleasure activities such as vacations and camping, both on and off highways. They include features such as kitchen and bathroom facilities. Towable RVs are subject to the same registration and licensing as other automobiles, and may have to abide by specific laws. They are also known as caravans in Europe and North America.

The analysts forecast the towable RVs market in North America to grow at a CAGR of 10.94% over 2014-2019.

Covered in this report
This report covers the present scenario and the growth prospects of the towable RVs market in North America for 2015-2019. To calculate the market size, the report considers the unit sales of towable RVs. In terms of product type, towable RVs can be categorized into four segments: travel trailers, fifth wheel trailers, folding camp trailers, and truck campers. The report covers the present scenario and the growth prospects of all the four segments. In addition, it discusses the major drivers that influence the growth of the market. It also outlines the challenges faced by the vendors and the market at large, as well as the key trends that are emerging in the market.

The report, Towable RVs Market in North America 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. It covers the landscape of the market and its growth prospects in the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors
