The United Kingdom: Market of Offset Printing Machinery

Description: This report presents a comprehensive overview of the offset printing machinery market in the United Kingdom and a forecast for its development in the next five years. It provides a detailed analysis of the market, its dynamics, structure, characteristics, main players, growth and demand drivers, etc.

The purpose of the report is to describe the state of the offset printing machinery market in the United Kingdom, to present actual and retrospective information about the volumes, dynamics, structure and characteristics of production, imports, exports and consumption and to build a forecast for the market in the medium term. In addition, the report presents an elaborate analysis of the main market participants, the price fluctuations, growth and demand drivers of the market and all other factors, influencing its development.

This research report has been prepared using our unique methodology, including a blend of qualitative and quantitative data. The information comes from official sources and insights from market experts (representatives of the main market participants), gathered by semi-structured interviews.

The report on the offset printing machinery market in the United Kingdom includes:

- Analysis and forecast for the economy of the United Kingdom
- Analysis and forecast for development of the market volume (market size), value and dynamics
- Market structure (by origin, by types of products, etc.)
- Volume, dynamics and analysis of domestic production (past, current and future)
- Analysis of price levels (wholesale, retail, distributors, etc.) and their dynamics (past, current and future)
- Volume, dynamics and analysis of imports (past, current and future)
- Volume, dynamics and analysis of exports (past, current and future)
- Volume, dynamics and analysis of consumption (past, current and future)
- Characteristics of the main market participants (manufacturers, distributors, wholesalers, retailers, importers, exporters, Governmental structures, etc.) and the competitive landscape
- Value chain analysis
- Analysis of the factors, influencing the development of the market (market growth drivers, restraints, recent state programs, etc.)
- Analysis and forecast of the trends and levels of supply and demand on the market
- Forecast for development of the market in the medium term (including three possible scenarios for development).

This report will allow you to:

- Quickly and cost-effectively gain competitive intelligence about the market
- Track market data, including size, value, segmentation, forecasts, dynamics and structure - past, present and future
- Track and identify key market trends, opportunities and threats and key drivers behind recent market changes
- Strategically assess market growth potential, demand drivers and restraints on the market
- Evaluate the key macroeconomic indicators to get insight into the general trends within the economy
- See how the market performed in the past (over the last 5 years) and how it will perform in the future (in the next 5 years)
- Get acquainted with the leading companies on the market (manufacturers, distributors, wholesalers, retailers, importers, exporters, Government structures, etc.)
- Evaluate how diversified the market is in terms of competitive intensity, fragmentation and environment and understand competitive threats
- Empower your marketing, branding, strategy and market development, consumption and supply functions with useful market insights
- Build your investment strategy by assessing market attractiveness or company attractiveness
- Build your own market entry or market expansion strategy or evaluate your current strategy
- Add weight to pitches and presentations by using official and accurate data and calculations.

Contents:

1. Introduction
   1.1. Report description
   1.2. Research methodology
2. Executive summary
3. Characteristics of offset printing machinery
4. Characteristics of raw materials
5. State of the economy of the United Kingdom
   5.1. Characteristics of the economy of the United Kingdom in the last 5 years
   5.2. Forecast for the development of the economy of the United Kingdom for the next 3 years
6. Overview and analysis of the offset printing machinery market in the United Kingdom
   6.1. Volume, value and dynamics of the offset printing machinery market in the United Kingdom in the last 5 years
   6.2. Structure of the offset printing machinery market in the United Kingdom in the last 5 years: production, imports, exports, consumption
   6.3. Structure of the offset printing machinery market in the United Kingdom by types of offset printing machinery
   6.4. Structure of the offset printing machinery market in the United Kingdom by origin
   6.5. Key recent trends on the offset printing machinery market in the United Kingdom
   6.6. Competitive landscape of the market
   6.7. Key drivers and restraints for the market development in the medium term
   6.8. Forecast for development of the offset printing machinery market in the United Kingdom for the next 5 years
7. Overview and analysis of the domestic production of offset printing machinery in the United Kingdom
   7.1. Business tendencies in the industrial production in the United Kingdom in the last 5 years
   7.2. Volume, value and dynamics of the domestic production of offset printing machinery in the United Kingdom in the last 5 years
   7.3. Structure of the domestic production of offset printing machinery by types of offset printing machinery
   7.4. Share of the United Kingdom in the European production of offset printing machinery
   7.5. Characteristics of the main producers of offset printing machinery in the United Kingdom
8. Characteristics and analysis of the prices of offset printing machinery in the United Kingdom
   8.1. Value chain analysis
   8.2. Structure of price formation
   8.3. Characteristics of the producer prices of offset printing machinery in the United Kingdom in the last 5 years
   8.4. Characteristics of other prices of offset printing machinery
9. Foreign trade operations of offset printing machinery in the United Kingdom
   9.1. General foreign trade operations of the United Kingdom
   9.2. Foreign trade operations of offset printing machinery in the United Kingdom in the last 5 years
10. Overview and analysis of the imports of offset printing machinery to the British market
   10.1. Volume, value and dynamics of the imports of offset printing machinery to the United Kingdom in the last 5 years
   10.2. Main countries, importing offset printing machinery to the United Kingdom
   10.3. Structure of the imports of offset printing machinery by types of products
   10.4. Share of the United Kingdom in the European imports of offset printing machinery
   10.5. Domestic companies, main importers of offset printing machinery to the British market
11. Overview and analysis of the British exports of offset printing machinery
   11.1. Volume, value and dynamics of the British exports of offset printing machinery in the last 5 years
   11.2. Recipient countries of the British exports of offset printing machinery
   11.3. Structure of the British exports of offset printing machinery by types of products
   11.4. Share of the United Kingdom in the European exports of offset printing machinery
   11.5. Domestic companies, main exporters of offset printing machinery from the territory of the United
12. Characteristics of the consumption of offset printing machinery in the United Kingdom

12.1. Volume, value and dynamics of the consumption of offset printing machinery in the United Kingdom in the last 5 years

12.2. Structure of the consumption of offset printing machinery in the United Kingdom in the last 5 years

12.3. Volume, value and dynamics of the per capita consumption of offset printing machinery in the United Kingdom in the last 5 years

12.4. Balance between supply and demand on the offset printing machinery market in the United Kingdom in the last 5 years and forecast for the next 5 years

13. Forecast for development of the offset printing machinery market in the United Kingdom for the next 5 years

13.1. Factors, influencing the development of the offset printing machinery market in the United Kingdom in the medium term

13.2. Forecast for market development in the medium term under three possible scenarios

Structure of the domestic production of offset printing machinery by types of offset printing machinery, in value terms

Value chain analysis of the offset printing machinery market in the United Kingdom

Cost breakdown of the price formation of offset printing machinery in the United Kingdom, in %

Volume and dynamics of the average producer prices of offset printing machinery in the United Kingdom in the last 5 years

Volume and dynamics of other prices of offset printing machinery in the United Kingdom (wholesale, distributor, retail, etc.) in the last 5 years

Foreign trade turnover by main commodities, in physical and value terms

Foreign trade operations by main partner countries, in value terms

Trade balance of offset printing machinery foreign trade in the United Kingdom in the last 5 years, in physical terms

Trade balance of offset printing machinery foreign trade in the United Kingdom in the last 5 years, in value terms

Volume and dynamics of the imports of offset printing machinery to the United Kingdom in the last 5 years

Value and dynamics of the imports of offset printing machinery to the United Kingdom in the last 5 years

Main countries, importing offset printing machinery to the United Kingdom in the last 5 years, in physical terms

Main countries, importing offset printing machinery to the United Kingdom in the last 5 years, in value terms

Structure of the imports of offset printing machinery by types of offset printing machinery in the last 5 years, in physical terms

Structure of the imports of offset printing machinery by types of offset printing machinery in the last 5 years, in value terms
Volume and dynamics of the British exports of offset printing machinery in the last 5 years
Value and dynamics of the British exports of offset printing machinery in the last 5 years
Recipient countries of the British exports of offset printing machinery in the last 5 years, in physical terms

Structure of the British exports of offset printing machinery by types of offset printing machinery in the last 5 years, in physical terms
Structure of the British exports of offset printing machinery by types of offset printing machinery in the last 5 years, in value terms
Volume and dynamics of the consumption of offset printing machinery in the United Kingdom in the last 5 years
Value and dynamics of the consumption of offset printing machinery in the United Kingdom in the last 5 years
Structure of the consumption of offset printing machinery in the United Kingdom in the last 5 years, in physical terms
Structure of the consumption of offset printing machinery in the United Kingdom in the last 5 years, in value terms
Structure of the consumption of offset printing machinery in the United Kingdom by types of offset printing machinery, in physical terms
Structure of the consumption of offset printing machinery in the United Kingdom by types of offset printing machinery, in value terms
Volume and dynamics of the per capita consumption of offset printing machinery in the United Kingdom in the last 5 years
Value and dynamics of the per capita consumption of offset printing machinery in the United Kingdom in the last 5 years
Balance between supply and demand on the offset printing machinery market in the United Kingdom in the last 5 years and forecast for the next 5 years, in physical terms
Balance between supply and demand on the offset printing machinery market in the United Kingdom in the last 5 years and forecast for the next 5 years, in value terms
Forecast for the total supply of offset printing machinery in the United Kingdom for the next 5 years (under the framework of the base scenario), in physical and value terms
Forecast for the total supply of offset printing machinery in the United Kingdom for the next 5 years (under the framework of the pessimistic scenario), in physical and value terms
Forecast for the total supply of offset printing machinery in the United Kingdom for the next 5 years (under the framework of the optimistic scenario), in physical and value terms
