Furniture and Floor Coverings Retailing in Europe, 2014-2019: Market Dynamics, Retail Trends, and Competitive Landscape

Description:

Summary
Furniture and Floor Coverings retail market in Europe is expected to expand at a slow pace during 2014-2019. Decline in Russian and Greek market will affect the overall sales in the region, however, decent value growth in Germany and UK will contribute to the region's positive growth. Germany will continue to be the largest market driven by demand for multi-functional and space-efficient furniture. Ukraine will witness fastest growth on the back of rising middle class population and disposable income, followed by Norway, which has homeownership rate and is expected to witness in double digit growth in online furniture and floor coverings sales.

Key Findings
- The Europe Furniture and Floor Coverings market is forecast to reach nearly US$200 billion by 2019, driven by demand for compact, multi-functional and modern furniture
- Online will continue to be the fastest growing channel at a CAGR of 11.6%, while Specialist retailers remain the key channel for Furniture and Floor Coverings but will remain virtually flat during 2014-2019
- Germany will record highest value growth over the next five years, followed by the UK
- Ukraine is expected to be the fastest growing market for Furniture and Floor Coverings in the region, despite being affected by Crimea geo-political crisis
