Global Social Gaming Market 2015-2019

Description:
About social gaming
Social gaming is the activity of playing games on social media platforms, networking sites, or within social media applications. It gained popularity when the social networking major Facebook and Zynga collaborated in 2009 to offer Farmville on the social networking site. Following the success of Farmville on Facebook, social gaming became popular worldwide.

The report forecasts the global social gaming market to grow at a CAGR of 14.96% over the period 2014-2019.
