Report Target Market:

1) Specialty Chemicals Companies

Usage: competitive/financial analysis and strategic partner/alliance identification.

2) Suppliers

‘The Top 100 Specialty Chemicals Companies Worldwide’ is perfect for suppliers of raw materials and energy and technology and services to identify top potential customers.
3) Distributors

This report is ideal for distributors of specialty chemicals to identify the leading manufacturers with the best products.

4) Industry Associations:

‘The Top 100 Specialty Chemicals Companies Worldwide’ is a useful reference tool for associations in the chemical industry.

Note: Most people will be aware of some of the major specialty chemicals companies such as Ashland Inc., Cabot Corporation and The Perstorp Group but this report looks at all 100 of the top companies - companies like - KMG Chemicals, Inc. - Headquartered in Houston, Texas, with facilities in the U.S., Europe and Asia, KMG Chemicals, Inc. (NYSE: KMG) manufactures, formulates and globally distributes specialty chemicals for the Electronics, Industrial Wood Preservation and Industrial Lubricants markets. The Company's key products include high purity acids, solvents and other wet chemicals used to etch and clean silicon wafers in the production of semiconductors. KMG grows by acquiring and optimising stable chemical product lines and businesses with established production processes. It specifically seeks to acquire proven, niche specialty chemicals with significant market share, long product life, high barriers to entry and low capex requirements. In May, 2015 KMG completed the acquisition of privately held Val-Tex, a manufacturer of industrial valve lubricants and sealants. KMG had sales of $U.S. 353.0 million in 2014 and is led by Christopher T. Fraser, President, Chief Executive Officer and Chairman.
