Global Wealth Management Market 2015-2019

Description: Global Wealth Management Market 2015-2019
Covering: This industry research report covers the growth prospects of the global wealth management market with segmentations based on the geography (North America, Asia-Pacific, Europe, Latin America, Middle East, and Africa). It also includes an insightful analysis of the leading vendors in this market such as BlackRock, UBS, Allianz, Vanguard Group, State Street Global Advisors, PIMCO, Fidelity Investments, AXA, and Credit Suisse.

Market overview of global wealth management market
The market research analyst has envisaged the global wealth management market to grow at a rapid CAGR of nearly 10% by 2019. The increasing use of SWIFT (Society for Worldwide Interbank Financial Telecommunication) services is expected to lead to process automation across the globe, which in turn would facilitate the systematic transfer plan by cutting the costs and risks associated with it. This will help in increasing client protection and the stability of the financial system; thus, leading to market growth.

The rising need for customer analytics is the key driver for the growth of this market. Analytics helps to understand the different customer segments and their investment pattern in different asset classes. Since customer analytics is an important tool to understand the relationship-based pricing strategies, their augmented usage during the forecast period will aid in understanding the banking needs of customers.

Geographical segmentation of the global wealth management market
- North America
- Asia Pacific
- Europe
- Latin America
- Middle East
- Africa

In this market research report, analysts estimate the North American region to be the largest market for wealth management solutions during the forecast period. At present, this region accounts for a market share of nearly 32% and is envisaged to retain its dominating hold over the market by the end of 2019 due to the development of a new client service model by multi-family offices (MFOs).

Competitive landscape and key vendors
This market is highly competitive and fragmented due to the presence of many large firms like Allianz and Vanguard group. The top vendors in this market are trying to leverage the technology so that they can provide customized solutions to the clients. This will help vendors to increase their market revenue generating capacity and will also allow them to gain a competitive edge over their rivals.
