Flat Glass Market in India 2015

Description:
"Our latest market research report titled Flat Glass Market in India 2015 captures the overall domestic flat glass market. The industry is expected to grow at a steady pace due to the rising demand from automotive, real estate and construction sector. Indian flat glass market can be segmented into clear float, tinted float, reflective glass and mirrors. Growth in real estate sector, increasing demand from automotive sector, growing use in solar products and energy conservation comprises some of the key factors propelling the flat glass market in India.

However, the industry also has to contend with several bottlenecks. Rising raw material prices and stiff competition from China pose a hindrance to the growth of the industry. Decorative glasses with digital print technology and value-added products are slowly gaining prominence. The market has huge opportunity with an increase in automotive, construction and real estate sector. Indian flat glass market is poised to grow over the coming years along with the steady economic growth of the country."
