Luggage and Leather Goods Retailing in Spain - Market Summary and Forecasts; Comprehensive overview of the market, consumer, and competitive context, with retail sales value and forecasts to 2019

Description:
Summary
Falling consumer confidence and expenditure levels have restricted the demand for luggage and leather goods in the last couple of years. The sector will be dominated by a sluggish economic environment, which will be reflected in the lower per capita spending levels over the forecast period. Specialist retailers continue to be the most preferred channel, while sales through online channel is witnessing rapid growth.

Key Findings
- Commanding a 42% share of the overall sales in the segment, specialist retailers dominate the luggage and leather goods market in Spain.
- Luggage and leather goods sales accounted for a marginal share of the total retail sales in 2014 and the sales are expected to reach EUR1.1 billion by 2019.
- Online is the fastest-growing channel in the luggage and leather goods category
