Middle East Africa - Cinema Industry

Description: This report looks at three key markets in the region: Israel, South Africa and Turkey. With investment pouring into building cinemas in Israel, substantial growth in box office in Turkey, and continuing readjustment in the South African market, this remains a highly dynamic region. With profiles of the main participants in the exhibition sector, data running back to the year 2000, and forecasts of admissions and box office for the next five years, this report represents an invaluable resource for those looking to do business in the region.
