For firms in the course of development, here is the advice you need for selecting the form of the entity—general partnership, professional corporation, or limited liability partnership—with the advantages and disadvantages of each. Also included are a state-of-the-art model partnership agreement and other practical forms of agreement, such as a “memorandum of understanding” for lateral partners that serves as an adjunct to the main agreement. In short, You'll get everything you need to ensure that your firm's partnership agreement is up to snuff. And all forms and clauses are included on an accompanying CD-ROM for ease of use. Filled with advice on structuring your firm to attract and keep talented lawyers, Law Firm Partnership Agreements will help your firm retain its competitive edge.
