Summary: HDFC Bank Ltd. Dec 15

Description: Abstract
Strong business position supported by a solid domestic franchise and strong management and strategy. Strong liquidity and above-average funding. Adequate capitalization and earnings. Above-average loan growth amid challenging operating conditions. The stable outlook on HDFC Bank Ltd. reflects our view that the bank will maintain its strong credit profile over the next 12-24 months. We expect the rating on HDFC Bank to move in tandem with the sovereign credit rating on India (unsolicited rating: BBB-/Stable/A-3). Standard & Poor’s Ratings Services does not rate Indian banks above the sovereign rating because of the direct and indirect influence the sovereign in distress would have on a bank’s operations, including its ability to service foreign currency obligations. We will lower the rating on...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer’s creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor’s issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
