Contents:

The Non-Destructive Testing (NDT) (UK) analysis is the most definitive and accurate study of the Non-Destructive Testing (NDT) (UK) sector in 2015.

The report is split into two sections and uses both a written and graphical analysis – analysing the 180 largest Non-Destructive Testing (NDT) (UK) companies.

The Non-Destructive Testing (NDT) (UK) report contains the most-up-to-date financial data and Plimsoll applies these figures to create their unique and authoritative analysis.

Indeed, the first section thoroughly scrutinises the market and this section includes the following:

- Best Trading Partners: These are companies that are winning in both sales and financial strength – for example CAN (OFFSHORE) LTD has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company – for example RIGMAR SERVICES LTD is among the fastest growing.
- Profit Analysis – Analysis of gross profit and pre-tax profit over several years and a profitability summary comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 180 companies, this is a comparison between last year's market size and the most current figure (3.6 billion).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies within the Non-Destructive Testing (NDT) (UK) industry.

Each business is analysed using our unequivocal model and culminates in the production of the Plimsoll Chart. The Model uses a series of charts to graphically analyse an individual company and measure its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Non-Destructive Testing (NDT) (UK) analysis also provides you with full business name and address, names of directors and registration address.
