Summary: HDI-Gerling Verzekeringen N.V. Feb 16

Description: Abstract
Leading market position in the Dutch industrial non-life insurance segment, facing intermediate industry and country risk. Gradual transition of the company's portfolio to HDI Global SE, a branch of its parent company, Talanx Primary Group (TPG), the ultimate parent, expected to remain fully committed to this business during and after the company's run-off and the transfer to the new branch. Concentration on the small and potentially volatile Dutch and industrial and commercial markets, which experience cyclical competitive pressure from global multiline insurers. Moderately strong capital and earnings based on capital adequacy expected to be at least in our 'A range. Net combined ratio and net income results distorted due to business transfer and additional reserving strengthening. Intermediate risk position, benefiting...

Standard and Poors RatingsXpress Credit Research provides in-depth coverage of international corporates, financial institutions, insurance companies, utilities, sovereigns and structured finance programs. RatingsXpress Credit Research lets users determine the credit rating of holdings and identify key factors underlying an issuer's creditworthiness, distinguishes the different risk exposures for new and existing deals, and provides an understanding of how their analysts interpret key regulatory, political and environmental events and their economic impact.

This product consists of a Summary Analysis: Bi-annual (at least). An abbreviated analysis containing Standard & Poor’s issuer credit ratings as of the time the article was published. The analysis includes a rating rationale - the basis on which the rating was assigned - and an outlook section if the issuer is not on CreditWatch. Financial statistics are not included.
