Cinema Industry Research - United Arab Emirates

Description: Although poorly served in terms of reliable statistical data, the United Arab Emirates is a rapidly growing part of the international film business, propelled by high levels of real estate development and limited alternative forms of entertainment. This report looks at the major players and assembles data from a variety of sources to provide a best guess at the size of the market and to track its growth. Including a complete list of cinemas in the territory, and complemented by financial profiles of two quoted companies in neighbouring Bahrain and Kuwait, the presents a comprehensive picture of a little understood market.
