Belgium Tyre Market Forecast and Opportunities, 2021

Description: With a population of around 11.2 million in 2014, Belgium's vehicle motorization rate stood at around 562 vehicles per 1,000 people. As a result of moderate vehicle ownership, robust road infrastructure, rising living standards, coupled with relatively positive macroeconomic indicators, tyre market in the country is expected to witness growth revival over the next five years.

Though there are no tyre manufacturing plants in Belgium, major tyre companies such as Continental, Michelin, Pirelli, Goodyear, Bridgestone, Yokohama, etc., are engaged in selling tyres through tyre distributors and dealers operating in the country.

According to “Belgium Tyre Market Forecast & Opportunities, 2021”, the tyre market in Belgium is projected to cross US$ 875 million by 2021. The country's vehicle fleet is dominated by passenger cars, followed by the commercial vehicles and two-wheelers. As a result, the passenger car tyre segment accounted for the largest share in the country's tyre market, and the same trend is expected to continue through 2021.
