IndustriusCFO: Report Generating Financial Analysis Software Subscription

Description: This is an annual Software-as-a-Service (SaaS) subscription that allows for the dynamic generation of Industry Metrics 1-Year and 4-Year reports.

1 year reports:

A company-size comparative report, showcasing financial trends between small, medium and large enterprise categories with an all-company aggregate, detailing Income Statement and Balance Sheet trends in % and USD, table and chart views including Financial Ratios across Liquidity, Asset Efficiency and Profitability key performance indicators (KPIs). Reports viewed online or downloaded into PDF. Choose to view reports for National US data, or by any individual US State.

4 year reports:

A multi-year trend report, showcasing financial trends between each of the last four years, detailing Income Statement and Balance Sheet trends in % and USD, table and chart views including Financial Ratios across Liquidity, Asset Efficiency and Profitability key performance indicators (KPIs) and a Cash Flow analysis. Reports viewed online or downloaded into PDF. Choose to view reports for National US data, or by any individual US State.

Key highlights:

- The reports are powered by one of the largest, most reliable datasets of privately-held company data available in North America. Derived from financial institutions and credit rating bureaus, the database is highly comprehensive, drawing from companies of all sizes and performance levels across more than 1,200 industry segments.
- Get trends for any industry of interest regionally by US State, features currently unparalled on the market.
- The reports are conveyed in a professional manner, showcasing itemized Income Statement and Balance Sheet trends in % and USD, in table and chart views including Financial Ratio comparatives.

Why you should purchase:

- Gain an understanding of the Income Statement, Balance Sheet, & Financial Ratio trends of any industry of interest, Nationally (US) or Regionally (by US State), and compare how financials differ between small, medium and large organizations (1-Year Report) as well as how trends have changed through time over the past four years (4-Year Report).
- Benchmark or compare your (or client's) company financials to industry peers on itemized Income Statement and Balance Sheet accounts, as well as Financial Ratios to detect deviations.
- Compare an industry's Income Statement, Balance Sheet and Financial Ratio trends to that of other industries.

Who should purchase:

Sector/Industry/Verticals - The industries most relevant to our product, those benefiting from the use of our products include: Business Consultancy/Advisory, Accountancy, Chief Financial Officers (CFOs), Researchers/Analysts (of business, finance, industry-intelligence/trends), & Business Owners/Entrepreneurs (any and all industries).

NOTE: Please contact us for availability and pricing of individual 1 year and 4 year national and regional/state financial metric reports.
