Erythropoietin Stimulating Agents: Therapeutic Applications and Global Markets

Description: This report provides an up-to-date analysis of recent developments and current trends in the global erythropoietin drug market. Includes forecast through 2020.

This report provides:
- An overview of the global markets and therapeutic applications for erythropoietin stimulating agents (ESAs).
- Analyses of U.S. as well as international market trends, with data from 2014, 2015, and projections of compound annual growth rates (CAGRs) through 2020.
- Coverage of the market in value terms broken down by major types of erythropoietin, by major regions, and by applications.
- Coverage of applications including cancer therapy, chronic kidney disease (CKD) therapy, HIV therapy, and anemia therapy.
- Major trends and challenges affecting the market and the supplier landscape.
- A look at industrial developments and the advent of biosimilars impacting the market.
- Analysis of the risks associated with the market for abusive uses of ESAa and their adverse effects.
- Profiles of major players in the industry.

Use this report to:
- Gain information about the various types applications of erythropoietin stimulating agents.
- Analyze current trends within the industry, major industry challenges, and the regional dynamics of the global erythropoietin drug market.
- Quantify the projected impact of both internal and external forces affecting the global erythropoietin drug market today and over the next several years.
- Analyze detailed profiles of major vendors in the erythropoietin drug industry globally.

Study Goals And Objectives:
The goal of this report is to provide an up-to-date analysis of recent developments and current trends in the global erythropoietin drug market. The objective of this type of systematic research is to quantify the projected impact of both internal and external forces that are affecting the global erythropoietin drug market today and that will affect the industry for the next several years. Factors involved in driving product demand within this vast untapped market will be explored in conjunction with trends, potential sales and forecasts for various market sectors. In addition, major players closely involved in the production of these erythropoietin drugs, as well as their upcoming and anticipated products resulting from further research and development will be analyzed to demonstrate how these advances might influence the existing erythropoietin drugs market.

Reasons For Doing The Study:
Increasing cases of chronic kidney diseases, oncology diseases; and anemia in HIV patients across regions and the expiry of Epogen's patent in 2015, and upcoming patent expiry of Aranesp in Europe is expected to increase the demand for the global erythropoietin biosimilar drug market.

Scope Of Report:
The scope of this report is broad and covers erythropoietin drug used globally in various types of applications. The market is broken down in terms of the various types of erythropoietin drug by region and by applications. Revenue forecasts from 2015 to 2020 are given for erythropoietin drug, with its applications and regional markets. The report also includes a discussion of the major players in each of the regional markets for erythropoietin drug. It explains the major market drivers of the global erythropoietin drug industry, the current trends within the industry, major industry challenges and the regional dynamics of the global erythropoietin drug market. The report concludes with a special focus on the supplier landscape. It includes detailed profiles of the major vendors in the erythropoietin drug industry globally.

Intended Audience:
This report is intended especially for developers, as well as consumers with a vital interest in erythropoietin
drug and its application. In addition, because of this report's business focus, it will be useful to sales executives and business managers as an up-to-date guide that includes challenges, drivers and trends that are expected to be significant factors in the current and future markets. The report should also be of interest to those in industries such as erythropoietin drug raw materials (manufacturers and suppliers), healthcare consulting companies, laboratory equipment manufacturers and pharmaceutical manufacturers.

Contents:

Chapter 1: Introduction
  - Study Goals And Objectives
  - Reasons For Doing The Study
  - Scope Of Report
  - Intended Audience
  - Information Sources
  - Research Methodology
  - Analysts' Credentials
  - Disclaimer

Chapter 2: Summary

Chapter 3: Overview
  - Definition
  - Erythropoietin As A Drug
  - Developmental Stages Of Erythropoietin
  - Applications Of Erythropoietin
  - Side Effects Of Erythropoietin
  - Pros And Cons Of Manufacturing Methods:

Chapter 4: R&D Drug Pipeline

Chapter 5: Global Market Forecast For Erythropoietin Drug
  - Global Market Forecast For Erythropoietin Drugs By Category
  - Global Market Forecast For Erythropoietin Drugs By Type
  - Global Market Forecast For Erythropoietin Biologic Drugs By Type
  - Global Market Forecast For Erythropoietin Biosimilar Drugs By Type
  - Global Market Forecast For Erythropoietin Drugs By Application
  - Global Market Forecast For Erythropoietin Drugs By Region
  - Global Market Forecast For Erythropoietin Drugs By Application
  - Global Market Forecast For Epoetin-Alfa Drugs By Region
  - Global Market Forecast For Epoetin-Beta Drugs By Region
  - Global Market Forecast For Darbepoetin-Alfa Drugs By Region
  - Global Market Forecast For Darbepoetin-Alfa By Application
  - Global Market Forecast For Other Erythropoietin Biologic Drugs By Application
  - Global Market Forecast For Epogen Drugs By Region
  - Global Market Forecast For Epogen Drugs By Application
  - Global Market Forecast For Procrit Drugs By Region
  - Global Market Forecast For Procrit Drugs By Application
  - Global Market Forecast For Eprex Drugs By Region
  - Global Market Forecast For Eprex Drugs By Application
  - Global Market Forecast For Aranesp Drugs By Region
  - Global Market Forecast For Aranesp Drugs By Application
  - Global Market Forecast For Neorecormon Drugs By Region
  - Global Market Forecast For Neorecormon Drugs By Application
  - Global Market Forecast For Mircera Drugs By Region
  - Global Market Forecast For Mircera By Application
Chapter 6: Drivers And Challenges
- Increasing Cases Of Chronic Kidney Disease
- Increasing Prevalence Of Cancer
- Risk Of Thrombosis And Pure Red Cell Aplasia (Prca)
- Increasing Generic Competition

Chapter 7: Vendor Landscape And Company Profiles
- 3Sbio Inc.
- Amega Biotech
- Amgen Inc.
- Biocon
- Biosidus
- Blausiegel
- Celon Labs
- Center Of Molecular Immunology
- Chalver Laboratories
- Cj Healthcare
- Claris Lifesciences
- Dr. Reddy's Laboratories.
- Emcure Pharmaceuticals
- Hindustan Antibiotics
- Hospira Inc.
- Intas Biopharmaceutical Ltd
- Jcr Pharmaceuticals Co. Ltd.
- Johnson & Johnson
- Landsteiner Scientific S.A. De C.V.
- La Renon Healthcare
- Lg Life Sciences
- Lupin Ltd.
- Medice Drug Putter Gmbh & Co. Kg
- Novartis International Ag
- Panacea Biotec
- Probiomed
- Reliance Life Sciences
- Roche
- Rpg Life Sciences
- Serum Institute Of India
- Shanghai Chemo Wanbang Biopharma Co. Ltd.
- Shantha Biotechnics
- Stada Arzneimittel Ag
- Sun Pharmaceutical Industries Ltd.
- Teva Pharmaceutical Industries Ltd.
- Vhb Life Sciences Ltd.
- Wockhardt Limited
- Zuventus Health Care
- Zydus Cadila Healthcare

List Of Tables
- Summary Table : Global Market For Erythropoietin Drugs By Type, Through 2020
- Table 1 : Major Epo R&D Drug Pipeline By Trial Phase
- Table 2 : Global Market For Erythropoietin Drugs By Category, Through 2020
- Table 3 : Global Market For Erythropoietin Drugs By Type, Through 2020
- Table 4 : Global Market For Erythropoietin Biologic Drugs By Type, Through 2020
- Table 5 : Global Market For Erythropoietin Biosimilar Drugs By Type, Through 2020
- Table 6 : Global Market For Erythropoietin Drugs By Application, Through 2020
- Table 7 : Global Market Forecast For Erythropoietin Drugs By Region, Through 2020

Ordering:

Order Online - http://www.researchandmarkets.com/reports/3634300/

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/

Order Information
Please verify that the product information is correct and select the format(s) you require.

Payment Information

Please indicate the payment method you would like to use by selecting the appropriate box.

☐ Pay by credit card: You will receive an email with a link to a secure webpage to enter your credit card details.

☐ Pay by check: Please post the check, accompanied by this form, to:
Research and Markets,
Guinness Center,
Taylors Lane,
Dublin 8,
Ireland.

☐ Pay by wire transfer: Please transfer funds to:
Account number 833 130 83
Sort code 98-53-30
Swift code ULSBIE2D
IBAN number IE78ULSB98533083313083
Bank Address Ulster Bank,
27-35 Main Street,
Blackrock,
Co. Dublin,
Ireland.
