Ephemeral Hunter-Gatherer Archaeological Sites

Description: Archaeological Geophysics for Ephemeral Human Occupations: Focusing on the Small-Scale combines technological advances in near-surface geophysics with recent archaeological scholarship and underlying archaeological premises to provide a practical manual for guiding archaeo-geophysical research design. By proposing the amelioration of communication gaps between traditional and geophysical archaeologists, this book will foment dialogue and participate in bringing about new ways of thinking anthropologically about archaeological geophysics, especially in relation to prehistoric open-air ephemeral sites. Offering a way to begin a dialogue between archaeology and geophysics, Archaeological Geophysics for Ephemeral Human Occupations is an important reference for practicing professionals, instructors, and students in geophysics and anthropology/archaeology, as well as geology.

- Serves as a practical manual for guiding archaeo-geophysical research design
- Bridges the communication gap between traditional and geophysical archaeologists to contribute to new ways of thinking anthropologically about archaeological geophysics
- Provides a focus on prehistoric open-air ephemeral sites, which are often underrepresented
- Offers an important reference for practicing professionals, instructors, and students in geophysics and anthropology/archaeology, as well as geology

Contents:

I. Introduction
II. Archaeological Geophysics literature review and explanation for why focus on small-scales is crucial to the discipline
III. Middle-Range Theory (MRT) and middle-range research (MRR) methodologies in archaeology
IV. How to Use MRT and MRR in geophysical archaeology
V. Field Examples from author's research
VI. Summary
VII. Suggestions for student research projects
VIII. Conclusion

Ordering:

Order Online - http://www.researchandmarkets.com/reports/3642513/

Order by Fax - using the form below

Order by Post - print the order form below and send to

Research and Markets,
Guinness Centre,
Taylors Lane,
Dublin 8,
Ireland.
Fax Order Form
To place an order via fax simply print this form, fill in the information below and fax the completed form to 646-607-1907 (from USA) or +353-1-481-1716 (from Rest of World). If you have any questions please visit http://www.researchandmarkets.com/contact/
