Summary: Carlisle Independent School District, Texas; School State Program

Apr 16

Description: Abstract
Standard & Poor's Ratings Services assigned its 'A+' underlying rating for credit program and 'AAA' enhanced program rating to Carlisle Independent School District (ISD), Texas' series 2016 unlimited-tax refunding bonds. At the same time, Standard & Poor's affirmed its 'A+' underlying rating (SPUR) and underlying rating for credit program on the district's previously issued general obligation (GO) debt. The outlook on all ratings is stable. The program rating reflects the district's qualification for, and the guarantee provided by, the Texas Permanent School Fund. The program provides the security of a permanent fund of assets that could be used to meet debt service on bonds guaranteed by the program. For more information on the program rating, please see our article published...
