Medical Records: Responding to Subpoenas and Investigations

Description: Learn how to respond to subpoenas and investigations while complying with HIPAA requirements, state law regulations, and patients' privacy rights.

Don't be caught off guard. You could be breaching the confidentiality of patients without even realizing it. From HIPAA requirements to state privacy laws, legal issues abound in the medical records arena. If you're not up-to-date on medical records law, your company could face serious legal and financial liability risks. Gain critical information on confidentiality, disclosure, documentation requirements and HIPAA issues you face every day. Learn everything you need to know to deal with the changing legal landscape and avoid putting yourself at risk. Don't miss this opportunity to broaden your knowledge of how to handle medical records properly and protect your company, and how to respond if you are subpoenaed.
