
Description: Now in its third edition, this popular handbook has been your go-to guide to the fundamentals of occupational safety and health law for over a decade. This new edition provides an authoritative and up-to-date reference that you count on for its reliable information and straightforward explanation. Each chapter is written by a highly respected attorney who is an expert in the field. Yet the book is written without legal jargon, in plain English that anyone can understand. In it, the authors provide interpretations of many facets of the Occupational Safety and Health Act, review regulations and standards governing employee protection, and offer advice for dealing with regulatory authorities.

This handbook covers all of the important legal aspects of the Occupational Safety and Health Act with clearly written explanations of such issues as the boundaries of OSHA regulations, general administrative law concepts, and OSHA's enforcement tactics. It provides “Practitioner's Tips” - useful legal guidance given by experienced attorneys for complying with OSHA inspection regulations and enforcing employers' and employees' rights during inspections. It describes changes to the probable cause test under OSHA's “Warrant Requirement.” It also explains the legal and practical consequences facing a business not contesting OSHA citations, OSHA's use of “Monitoring Devices on Employees,” and more. This new edition covers major changes to the Hazard Communication Standard, new enforcement initiatives, updated regulations in the construction industry, new emergency response procedures, and more.

Contents:

Occupational Safety and Health Act

1 Overview
1.1 Comparison of OSHA and EPA
1.2 OSHA, the Organization

2 Legislative Framework
2.1 Purpose of the Act
2.2 Coverage of the Act

8.1 Refusal to Work
8.2 Protection of Whistle-blowing

9 Federal and State Employees
9.1 Federal Agencies
9.2 State Employees

10 State OSHA Programs
10.1 Concept
10.2 Critiques

11 Consultation
11.1 Education
11.2 Alliances

12 Overlapping Jurisdiction

13 Occupational Safety and Health Review Commission
13.1 OSHRC Appeal Process
13.2 Limitations of the Commission

14 National Institute for Occupational Safety and Health
14.1 In Theory
14.2 In Practice

15 Hazard Communication Regulations
15.1 Reason for the Regulation
15.2 Scope and Components
15.3 Hazard Evaluation
15.4 Trade Secrets
15.5 Federal Preemption Controversy

16 Ergonomics Issues
16.1 Background
16.2 Scope of the Problem
16.3 Scope of the Standard

17 Legislation

Notes

The Rulemaking Process

1 Overview

2 The Rulemaking Process
2.1 Petitions for Rulemaking
2.2 National Institute for Occupational Safety and Health
2.3 Advisory Committees
2.4 Regulatory Agenda
2.5 Request for Information and Advanced Notice of Rulemaking
2.6 Notice of Proposed Rulemaking
2.7 Hearings
2.8 The Final Rule

3 Negotiated Rulemaking

4 Other Applicable Statutes Concerning Rulemaking

5 Delays in Rulemaking

6 Emergency Temporary Standards

7 Variances
7.1 Temporary Variance
7.2 Permanent Variance
7.3 Interim Order

8 State Law Standards/Jurisdiction

9 Judicial Review

Notes

The Duty to Comply with Standards

1 Overview

2 Applicability of OSHA Standards
2.1 The General Principle of Preemption
