Public Policy Report (PPR)

Description: Weekly updates on legislative, legal and regulatory changes. Deeper analysis than our daily report. Comes with Legislative Tracking Service keeping you up on all 50 states and Congress.

The Public Policy Review is a weekly update and analysis of significant legislative, regulatory and legal activity, providing the same pertinence and time-saving synopses as our daily report but with more analysis.

Some editions of the PPR will also include guest pieces about significant legal and regulatory actions.
