Explosives (European) - Industry Report

Description: The Explosives (European) Analysis provides a detailed overview of the UK Explosives (European) market and delivers a comprehensive individual analysis on the top 90 companies, including EXPAL SYSTEMS SA, ORICA GERMANY GMBH and LKAB KIMIT AB.

This report includes a wealth of information on the financial trends over the past four years.

The latest Explosives (European) analysis is ideal for anyone wanting to:
- See the market leaders
- Identify companies heading for failure
- Seek out the most attractive acquisition
- Analyse industry trends
- Benchmark their own financial performance

Using exclusive methodology, a quick glance of this Explosives (European) report will tell you that 11 companies have a declining Plimsoll financial rating, while 7 have shown good sales growth.

Each of the largest 90 companies is meticulously scrutinised in a single paged individual assessment and is analysed using the most up-to-date and current financial data.

Every business is examined on the following features:
- The Plimsoll Chart: A graphical assessment of a company's financial performance
- Four year assessment of the profit/loss and balance sheet
- A written summary highlighting key performance issues

Subsequently, you will receive a thorough 100-page market analysis highlighting the latest changes in the Explosives (European) market.

This section includes:
- Best Trading Partners
- Sales Growth Analysis
- Profit Analysis
- Market Size
- Rankings

Contents: The Explosives (European) analysis is the most definitive and accurate study of the Explosives (European) sector in 2016.

The report is split into two sections and uses both a written and graphical analysis - analysing the 90 largest Explosives (European) companies.

The Explosives (European) report contains the most-up-to-date financial data and Plimsoll applies these figures to create their unique and authoritative analysis.

Indeed, the first section thoroughly scrutinises the market and this section includes the following:
- Best Trading Partners: These are companies that are winning in both sales and financial strength - for example ORICA UK LIMITED has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company - for example ISTROCHEM EXPLOSIVES A. S. is among the fastest growing.
- Profit Analysis - Analysis of gross profit and pre-tax profit over the last ten years and a profitability
summary comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 90 companies, this is a comparison between last year's market size and the most current figure (This year the market has increased by 39.9%).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies within the Explosives (European) industry.

Each business is analysed using Plimsoll's unequivocal model and culminates in the production of the Plimsoll Chart. The Model uses a series of charts to graphically analyse an individual company and measure its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:
- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Explosives (European) analysis also provides you with full business name and address, name and ages of directors and registration address.
