Contents:

The Modular & Prefabricated Buildings (European) analysis is the most definitive and accurate study of the Modular & Prefabricated Buildings (European) sector in 2016.

The report is split into two sections and uses both a written and graphical analysis - analysing the 310 largest Modular & Prefabricated Buildings (European) companies.

The Modular & Prefabricated Buildings (European) report contains the most-up-to-date financial data and Plimsoll applies these figures to create their unique and authoritative analysis.

Indeed, the first section thoroughly scrutinises the market and this section includes the following:

- Best Trading Partners: These are companies that are winning in both sales and financial strength - for example BODBORSEN AB has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company - for example TK DEVELOPMENT AVS is among the fastest growing.
- Profit Analysis - Analysis of gross profit and pre-tax profit over the last ten years and a profitability
summary comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 310 companies, this is a comparison between last year's market size and
  the most current figure (This year the market has increased by 1.8%).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies
within the Modular & Prefabricated Buildings (European) industry.

Each business is analysed using Plimsoll's unequivocal model and culminates in the production of the
Plimsoll Chart. The Model uses a series of charts to graphically analyse an individual company and measure
its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's
simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Modular & Prefabricated Buildings (European) analysis also provides you with full business name and
address, name and ages of directors and registration address.
