Moreover, the report also offers information regarding the business models and exhaustive list of revenue streams of a typical corporate training company operating in the segment. Major macroeconomic indicators affecting the market have also been highlighted in the report. The report is useful for existing corporate training companies and other talent and development agencies, freelancers, consultants, emerging players who wish to capitalize the market potential and investors who are looking forward to venture into the corporate training market in India.

Key Topics Covered in the Report:
- The Market Size of India Corporate Training Market.
- Growth Drivers and Challenges in India Corporate Training Market.
- Decision Making Procedure for Corporate Training Programs in India.
- Pricing Analysis in India Corporate Training Market.
- Market Segmentation by Demand from Major Sectors, Training Services, Industry, Mode of Learning, Training Demand from Level of Employees, Major Cities, Demand for Open and Customized Learning, Different Learning Tools, Learning Modes, Demand from Small, Medium and Large organizations, and Demand from MNCs and Domestic Organizations.
- Market Share of Major Players in India Corporate Training Market.
- Business Model in India Corporate Training Market.
- SWOT Analysis of India Corporate Training Market.
- PORTER's Five Forces for India Corporate Training Market.
- Investment Model in India Corporate Training Market.
- Future Projections for India Corporate Training Market.
- Profiles of Leading and Emerging Players in India Corporate Training Market.
- Business Model in India Corporate Training Market.
- India Corporate Training Market Future Projections and Outlook.
- Analyst Recommendations.

Contents:
1. Executive Summary
   Present Market Dynamics
   Growth Impetus and Challenges for the Market
   Decision Making Process
   Which are the Major Segments that have been Instrumental in Appreciating the Corporate Training Market in India
   Positioning of Major Players in Corporate Training Market
   Future Potential of the Market
   Recommendation for Future Prospect of the Market
2. Appendix
2.1. Market Definitions
2.2. Abbreviations
2.3. Market Size and Modeling
Research Methodology
Approach - Market Sizing
Limitations
Variables (Dependent and Independent
Multi Factor Based Sensitivity Model
Final Conclusion

3. India Corporate Training Market Introduction and Size by Revenues, FY'2010-FY'2015

4. Trends and Growth Drivers in India Corporate Training Market

5. Issues and Challenges in India Corporate Training Market
