Publishing for the PreK-12 Market 2016-2017

Description: Publishing for the PreK-12 Market 2016-2017 provides the most up-to-date business information not only on the impact of recent changes in education policy but on the emergence of new technologies and the new applications for traditional technology (print) in the school market. The updated annual report provides the most recent comprehensive overview of the U.S. school market and the instructional materials providers that serve it.

Topics of relevance for emerging, developing and structurally changing business models in Publishing for the PreK-12 Market 2016-2017 include:

- Market size by media segment: basal core curriculum, courseware, digital supplements, print supplements, manipulatives, trade books, video, classroom magazines and state summative tests;
- Drivers of and challenges to growth by segment;
- Initiatives by traditional publishers to adapt their once-print businesses to a digital future;
- Focus of ed-tech start-up activity in the first part of 2016;
- Changing demographics of U.S. students;
- Trends in state funding for education;
- What subjects schools are spending on;
- The changing instructional materials adoption landscape;
- Competitive analyses of 11 leading publishers;

Contents:

- Methodology
- Executive Summary
- Chapter 1: Industry Size and Structure
  - Introduction
  - Instructional Materials Sales Flatten in 2015
  - Basal Curriculum Moves the Needle in 2015
  - Courseware Generates Growth of 4.7%
  - State-Level Test Market Continues to Flatten
  - Digital Supplements Grow 2.2%
  - Print Supplements Decline
  - Manipulatives Are Made for Hands-on Learning
  - Literacy Push Favors Trade Books
  - Video Use Grows even as Formats Change
  - Classroom Magazines: Strongest Growth Projection
  - Electronic Media Projected to Capture 70% Share in 2016
  - Devices Proliferate
  - Google Keeps Improving
  - Samsung Partners in Chromebook Initiatives
- Publishing for the PreK-12 Market 2016-2017
- Competitive Landscape
  - Pearson Weathers Prolonged Restructuring/Reorganization
  - McGraw-Hill IPO Remains Pending
  - Rosetta Stone Turns its Attention to Education
  - Ed Tech Startup Activity Was in High in 2015
