India Mobile Wallet Market By Application (Payment Transfer, Recharge & Bill Payment, Utilities & Others), By End User (Telecom, Banking, Transportation, Retail & Others), Competition Forecast and Opportunities, 2012-2021

Description: Mobile wallet is a form of virtual wallet carrying credit or debit card information on mobile. Mobile wallet (m-wallet, digital wallet or e-wallet) allows user to make financial transactions through smartphones, tablets, phablets, etc. India mobile wallet market is witnessing growth over the past few years due to fast and secure transactions, increasing urbanization and rising government initiatives such as Unified Payment Interface and RBI initiative for increasing mobile wallet limit in India.

The companies involved in providing mobile wallets are predominantly focusing on increasing ease of use and security features in m-wallet transactions. Payment transfer accounted for the largest value share in India in 2015 on account of increasing number of net banking and mobile banking transactions, coupled with increasingly tech savvy consumer base, which is embracing this technology with open arms.

According to the report "India Mobile Wallet Market By Application, By End User, Competition Forecast & Opportunities, 2012-2021", the market for mobile wallets in India is projected to grow at a CAGR over 50% during 2016 - 2021. Evolving technologies, secure authentication process, rising adoption of online payments and growing e-commerce transactions are anticipated to significantly boost India mobile wallet market in the coming years. Banking sector accounted for the largest end use sector in the country's mobile market in 2015, followed by retail, telecom and transportation sectors.

Northern region accounted for the maximum number of mobile wallet users, owing to highest number of retail stores choosing payment through mobile wallets in the region's Tier I, Tier II & Tier III cities. Few of the major companies in India mobile wallet market include One97 Communications, One Mobikwik, ItzCash, Oxigen, among others.
