Eritrea Tire Market Forecast & Opportunities, 2022

Description:
Replacement demand dominated Eritrea tire market, as there are no automobile manufacturing facilities in the country. Eritrea is prominently divided into three regions including Northern, Central and Southern region, with Central region, dominating tire demand in the country.

Growth of the tire industry of the country is prominently backed by growing sales of vehicles and expanding automobile fleet in the country. Increasing population of the country is also boosting demand for automobiles and related tire products. As per the CIA, population of the country stood at 5.86 million in 2016. Moreover, rising government focus on development of infrastructure and industrial sectors is further anticipated to boost demand for automobiles and related tire products in the country during 2017-2022.

According to "Eritrea Tire Market Forecast & Opportunities, 2022", Eritrea tire market is forecast to grow at a CAGR of over 4% during 2017-2022 driven by consistently expanding automobile fleet size, increasing infrastructural developments and increasing average selling prices of tires. Eritrea tire market is dominated by Chinese tire companies, which accounts for more than 50% share in the country's tire market. Other leading flagship tire companies operating in Eritrea include Bridgestone, MRF, Apollo, CEAT, etc.
