Children & Youth Funding Report

Description: Children & Youth Funding Report provides coverage on public and private funding for high-risk, low income and underserved youth and children. The publication is routinely packed with detailed information about federal, foundation and private grant opportunities for programs in such vital areas as public assistance, child welfare, youth crime, juvenile justice, education, mental health, substance abuse, job training, disability services, health care, and other children, youth, and family related areas.

Plus, you'll find valuable advice from public and private officials on how to prepare winning proposals, and case studies of successful fundraising activities, ranging from special events to direct mail campaigns.
