
Description: The Business Valuation Case Law Yearbook, 2017 Edition is essential for business appraisers and attorneys who want to stay ahead of their peers on the most important legal issues brought up in business valuation-related cases. With in-depth analysis from BVR's legal team, the lessons learned in this book help appraisers come to better and more defensible valuation conclusions. And, attorneys who retain appraisers as financial experts learn how their experts can help them win (or lose) in court.

Highlights of the Yearbook include:

- Save hours of research time with current and comprehensive court case analysis - access to nearly 70 of the most important business valuation-related cases that took place in 2016, with expert legal analysis to guide you through how each case played out.
- Learn important lessons about applicable legal principles, approved and discredited valuation methodology, and the art of presenting expert opinions.
- Stay ahead of your peers on the most important legal issues - learn how experts handle valuation challenges with examples from a variety of industries including healthcare, manufacturing, restaurants, auto dealerships, and more.
- Easily navigate the court cases with a comprehensive reference table that lists case-by-case type, state/jurisdiction, date, and more.
