Covance Inc.

Description: Covance Inc., a drug development services company, provides various early-stage and late-stage product development services primarily to the pharmaceutical, biotechnology, and medical device industries primarily in the United States and Europe. Its Early Development segment offers preclinical services, such as toxicology; pharmaceutical and nutritional chemistry, and food safety; purpose-bred animals for biomedical research; immunology, and polyclonal and monoclonal antibody; metabolism studies and pharmacokinetic screening; and bioanalytical testing services. It also provides clinical pharmacology services comprising first-in-human trials and proof of concept studies of new pharmaceuticals at its clinics. The company's Late-Stage Development segment provides central laboratory services to biotechnology and pharmaceutical customers; and clinical development services, such as the full management of Phase II through IV clinical studies, study design and modeling, co-ordination of study activities, trial logistics, monitoring of study site performance, clinical data management and biostatistical analysis, and medical writing and regulatory services, as well as periapproval services. It also offers market access services, including reimbursement and healthcare economics consulting services, which comprise outcomes and pharmacoeconomic studies, reimbursement planning, reimbursement advocacy programs, risk evaluation and mitigation strategy services, registry services, specialty pharmacy services, and managed market contracting services; and clinical trial support services, such as cardiac safety services, and interactive voice and Web response services. The company also provides laboratory testing services to the chemical, agrochemical, and food industries. Covance Inc. was founded in 1987 and is headquartered in Princeton, New Jersey.
